Tri Psi Chi of Elon

DEDICATED TO

Mr. William Brooks Truitt

WILLIAM BROOKS TRUITT

Mr. William Brooks Truitt is a native North Carolinian, born and reared in Greensboro. He is a public spirited citizen, a life-long member of the church and a faithful Christian worker. He has taught the Philathea Bible Class of the First Christian Church for more than forty years.

Mr. Truitt is a graduate of State College and has become an industrialist of the first rank. He was connected with Carolina Steel and Iron Works of his city for a number of years. Recently Mr. Truitt and his sons organized and incorporated the Truitt Manufacturing Company of Greensboro. He is president of the company. Under his initiative and guidance his company has grown to be a factor in the industrial life of Greensboro and of the nation.

Mr. Truitt is a member of the Board of Trustees of our college and has worked tirelessly for its advancement. He has contributed generously to its support.

We, the Class of 1948, take great pleasure in dedicating our college annual, the PHIPSICLI, to Mr. William Brooks Truitt. We dedicate ourselves to the future advancement of our college.

"With Camera

IN THESE PAGES we present life at Elon 1947-1948. We believe it's a true picture, and hope you agree. Our senior class is a composite of the beginnings of many freshmen classes at Elon. However, this last year together has given us a sense of unity and accomplishment. Life at Elon is something special, something that has meaning and a sense of faith to each Elonite.

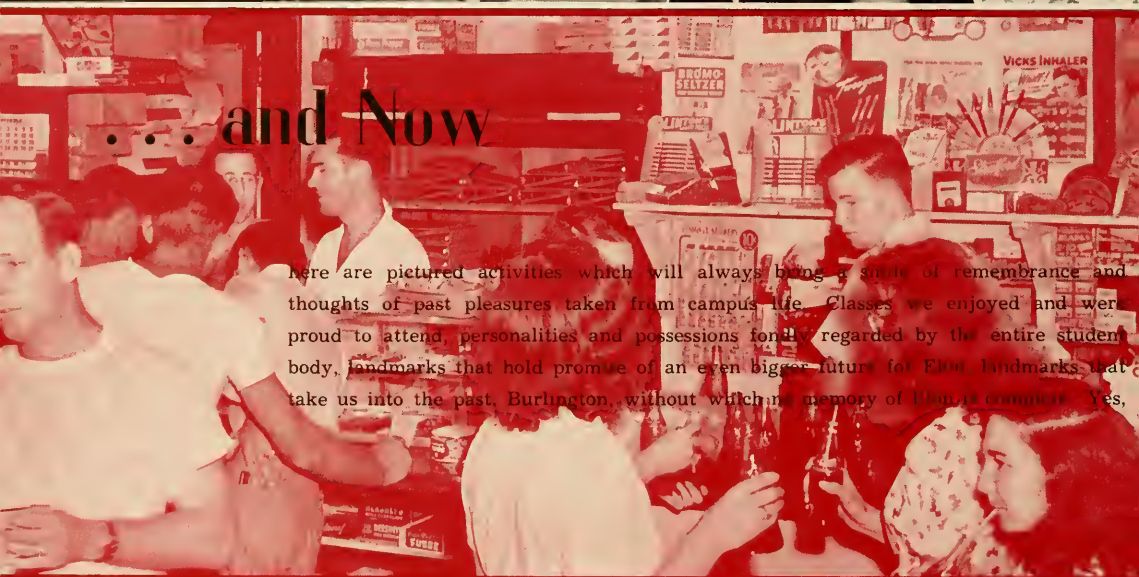

and Pen”

WE ALL HAVE MEMORIES, memories too numerous and too diverse to record individually, but, we hope that this annual will in future years give you in pictures and prose the best of Elon. By the best, we mean you as seen from the eyes of your professors, your classmates and from Elon—as a whole.

... and Now

Here are pictured activities which will always bring a smile of remembrance and thoughts of past pleasures taken from campus life. Classes we enjoyed and were proud to attend, personalities and possessions fondly regarded by the entire student body, landmarks that hold promise of an even bigger future for Elon, landmarks that take us into the past, Burlington, without which no memory of *Elon is complete*. Yes,

We have memories and during our four years here we have acquired something to go along with those memories. No one can describe or exactly explain that something so let's just call it "that Elon feeling." It will always be there, deep down, and whether you're at Elon or some other place, it's a wonderful feeling and a comforting thought.

to YOU the

Students

who have become a part of us with your by-words, smiles and friendly greetings. We'll miss you and look forward to the time when we will return just as we are looking forward to that last journey down the aisle of Whitley to pick up those "sheep-skins." No, it's not that we're happy to leave Elon and you but we're happy of the fact that we have accomplished our undertakings and can say with pride and pleasure, it is to you the students that

. . . WE DEDICATE

THE PIPPSICHT OF NINETEEN FORTY EIGHT

The PRESIDENT

TO THE CLASS OF 1948:

Young people of today are confronted with unrealized and unexcelled opportunities. Often times apparent misfortunes are transformed into challenging privileges. The fruits of diligence and coöperation are abundantly rewarding.

You of the Class of 1948 have met the challenges of the college campus, helped to solve some of its problems, and have set high standards in scholarship and social achievements for succeeding classes.

The administration is proud of you and wishes for you every possible success and happiness in life.

LEON EDGAR SMITH, *President.*

Administration

To the Class of 1948:

My heartiest congratulations upon your graduation and my best wishes for many opportunities in which you can achieve both success and happiness throughout your life.

I have derived much pleasure from my association with you.

Dean of Women.

CHRISTINA HARDY,

To the Seniors:

And now your graduation day is here! Soon you will take leave of the halls and colonnades of Elon, seeking greater worlds to conquer. With sadness I "bid you fond adieu," for we were freshmen together, you as students and I as dean. Four glorious years, four tumultuous years, four years filled with activity, growth and achievement; and now—your graduation. I feel a deep sense of kinship with the Class of '48, and wish for you, individually and collectively, the best that the world may offer. As the years go by, may you look back upon those you spent at Elon, and say of them that they were happy and rewarding years. And looking forward, giving your best to God and man, may your lives be long and pleasant on the earth. Sincere best wishes to each of you!

D. J. BOWDEN.

Dean of the College.

The Field Secretary

OUR FIELD SECRETARY, Mr. Paul C. Plybon, is responsible for all contacts between Elon College and all high schools and handles all applications for students applying for entrance to college. He has charge of all dormitory assignments for incoming students, also housing for married and single veterans, this including the sixty-six apartments. The Field Secretary is the liaison between the college and the Federal Government for such equipment, buildings and other facilities that are available to colleges and universities through the Federal Agencies. He serves as purchasing agent for all building material that is to be purchased on the larger scale for the college. He is also in charge of all public relations.

The Alumni Office

THE ALUMNI OFFICE was established at Elon College, with an executive secretary employed for full time work in March 1946. The purpose in establishing this office was to organize the alumni of Elon College into an active association, whose interest would be the promotion of Elon. To publish a monthly newspaper, that would carry news of the alumni and activities on the campus. Mr. James F. Darden, class of 1943, was selected to serve as the first full time executive secretary of the Elon College General Alumni Association.

THE STUDENT GOVERNMENT power of Elon College is vested in the students of the college by a constitution granted by the Administration. The Senate is the boys government body while the Council is the girls government body.

The Council

BETTY BENTON
President of Council

GOVERNMENT . . . 1948

The activities of these two are correlated by the Student Body Officers and the business of the Student Body is carried on at the Monday morning assemblies in Whitley Auditorium. The offenders of the various rules are tried before the Senate and Council at times specified by the presidents of these bodies.

The officers of the Student Body are elected from the various classes.

The members of the Senate and Council are representatives of the cross-sectional view of the students.

BEING A CLASS made up of students of which very few entered Elon's gates together as Freshmen, our early memories of Elon aren't at all diversified. During the "war years," numerous faces disappeared from the ranks of Elon students and have slowly drifted back to form the Class of '48. During the past two years, we have come to know each other, share our ideas, and acquire a feeling of unity. Now, we are leaving again but this time for a different and more profitable purpose. Yes, "Our Day," the day that we have looked forward to so long has finally come. With a mingled feeling of regret and happiness, we will now step from the role of a college student into a world awaiting us and our contributions.

WHO'S WHO AMONG STUDENTS AND COLLEGES FOR 1948

THIS HONOR, given to Seniors and Juniors, is the highest goal which students may attain in college. It is awarded on the basis of scholarship, leadership in extra-curricular activities, and qualities that portend success and usefulness in the years after college days are over. These students are chosen by ballot among faculty members and students. The members of the Elon Student Body who were so recognized this year will have their biographies appear in the 1947-1948 edition of the *Who's Who Among Students In American Colleges and Universities* Yearbook. The students who attained this honor are as follows:

Juniors

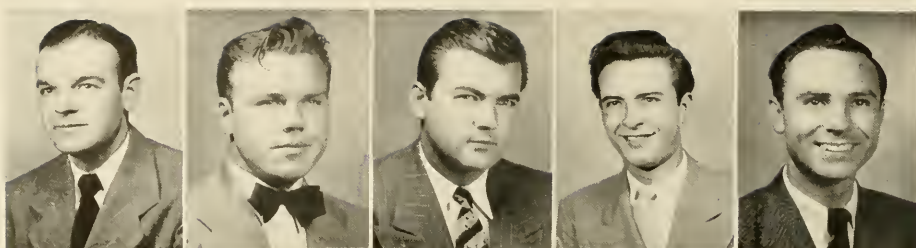

WE, THE HIGH AND MIGHTY Juniors feel that we have come a long way and at last we are nearing our goal. Sometimes the going has been rather difficult but now we look forward to our Goal with great expectations.

Next year will be our busiest but then too we realize that it will be fun and full of happiness.

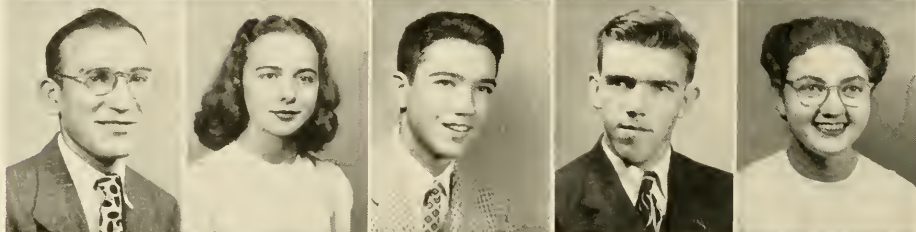

We wish to say farewell to the Senior Class, hoping that the best of everything will be theirs. To the rest we will say, "See you next year."

Sophomores

OUR LOWLY DAYS are over and we turn our thoughts and dreams to the future. After the trials and troubles of a Freshman year, we settled into a year of enjoying college life as only a Sophomore Class is capable. We welcome many new faces to our class and to our campus. After extending heartiest greetings to our new Freshman Class, we turned to the years' activities with a determined effort. Remembering our Freshman Year, thinking of our Sophomore Year, the Class of 1950 eagerly anticipates what lies ahead.

Freshmen

WE ARE THE FRESHMEN, full of ambition, energy, expectation and hope for our days to come at Elon.

This year we have learned much, or at least we hope that now our skin isn't quite so green. Anyway we all had fun buying radiator keys, looking for sky hooks, etc.

After several trips to Senior Oak we feel that we have now been initiated and are ready to become a part of Elon.

This year has been a new experience for us and we have enjoyed it. In the years to come we hope for more fun and happiness—with a little work on the side.

The Phipsieli

LOOK! Just look at what all of that pecking away at typewriters and banging of heads together up on third floor of Library Building has produced. Yes, the 1948 edition of the PHIPSIELI is "fini" and it's yours—believe me.

As you already know, the word PHIPSIELI was derived from the three erstwhile "Literary Societies" of the College. There were times when it meant just that much to the staff too. . . . In other words—plain Greek. Now, we'll agree with you that instead of being called THE PHIPSIELI this year, it could have just as well been called "Unidentified," or "I've Had It." . . .

From our side of the desk let us say, we've enjoyed working with you, hope you all the luck in the world on your next publication (you'll need the heck out of it), and here she is. . . .

The Phipsieli

IF YOU'LL LOOK below you can see who brought you this material, surrounded by these maroon bindings, and from all probability will know better next time. Now, seated around that desk in one little compact unit you'll see. . . .

JOHN WATSON

Editor in Chief

RUSSELL DUNLAP

Faculty Adviser

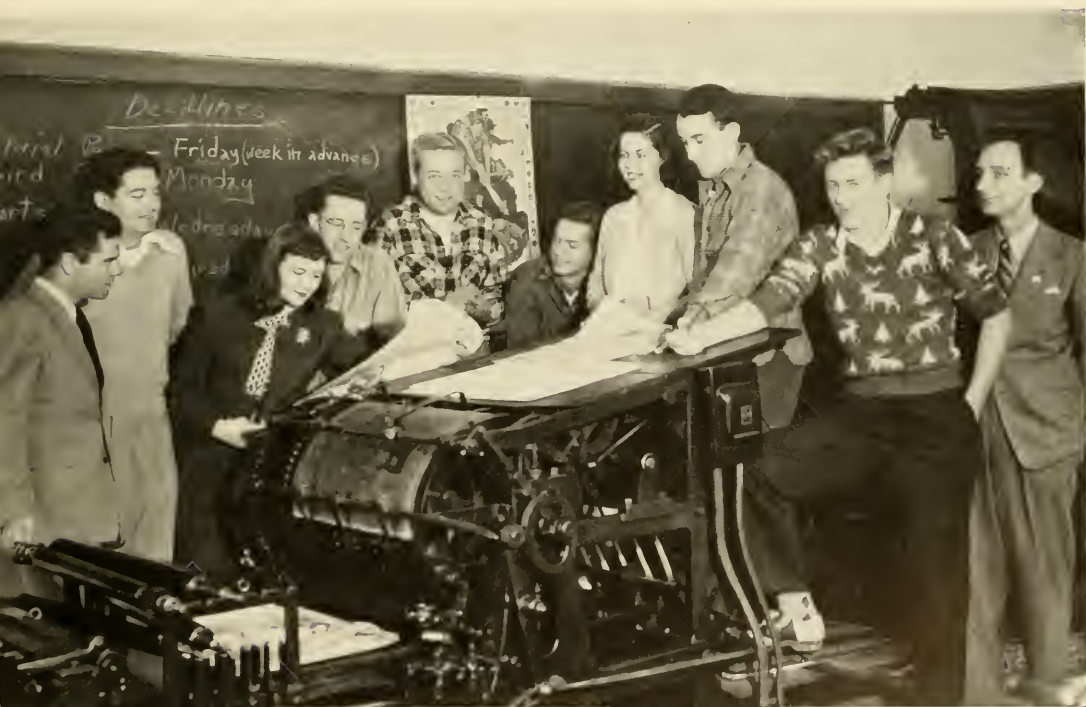

The Maroon and Gold, official newspaper of the campus, is published by and for the students of Elon. In addition to summarizing the campus activities, bi-weekly, it serves as a laboratory for those students aspiring toward Journalism as well as for those interested only in writing as an extra-curricular activity. Every phase of publication is done in the college press office facilitating experience in all departments of newspaper work. Under the guidance of Professor Russell Dunlap, and through the coöperation of the Staff, the *Maroon and Gold* has completed successfully another year.

WHEN ALL OTHER lights are out on campus, you can always walk past the *Maroon and Gold* Headquarters and find theirs' still eating up ye ole' Power-house juice. If someone's not operating the machines, they are being repaired; if typewriters aren't running, they're looking for material and if the Editor isn't cursing, he's praying for a miracle. It simply couldn't be all that bad, though, with the following staff behind you. . . .

The Choir

UNDER THE DIRECTION of John Westmoreland with Fletcher Moore at the organ, the College Choir has experienced a very successful year. During the year, the Choir has rendered numerous programs, among which were the Sunday afternoon broadcasts, The Lyceum Series, Philharmonic Orchestras, and deserving special praise, the December 7 presentation of Handel's *The Messiah*. In addition to being carried over the air from Station WBBB in Burlington, a capacity crowd listened in Whitley Auditorium.

THE ELON PLAYERS, under the direction of Mrs. Elizabeth R. Smith, present a series of plays each year. Any person, or persons, may become a member of the Elon Players by participation in any production put on by the Dramatics Department.

This year, starring such experienced actors and actresses as Ed. Nash, Francis Branson, Jean Parks, Irene Rummage, Henry Richards, Joan Bolwell, Betty Hill, and Delmar Brown, the productions have been put over with a high degree of efficiency and success.

As the "Wheel" behind the "Wheels," let's give Mrs. Smith an "Oscar" along with the best actor and actress for this year's work.

Freshman

S.C.A.

THE SENIOR STUDENT CHRISTIAN ASSOCIATION is responsible for student religious activities on campus. The work of the Association is carried out by the various committees. Some of the functions of these committees include Sunday evening vespers, Morning Watch, chapel programs, student body socials, and world student service campaigns. The Senior Student Christian Association also furnishes church ushers and Freshman advisers.

Business sessions of the Senior group are held weekly, and meetings of the entire S.C.A. are held monthly, at which time outstanding speakers are heard and christian fellowship enjoyed.

“...To Be Of Service To Others”

THE FRESHMAN S.C.A. is made up of outstanding members of the Freshman Class. It introduces the Freshman into the S.C.A. and gives them an opportunity to share their ideas and talents by serving on various committees. It also helps to promote the work of the association among the new students.

This year, the Freshman S.C.A. has worked with the Senior S.C.A. and, together, they have made the social life on the Campus much more interesting. So, next year it will be they who will be seen running around in September with those little blue badges—welcoming back the old students and greeting the new.

THE COLONNADES is a yearly literary magazine dedicated to encouraging students in creative writing of short stories, the various types of poetry, essays and plays. After publication each year prizes are awarded to those who have submitted the most outstanding manuscripts. In connection with the *Colonnades*, a literary workshop is conducted during the year to analyze, study, and to try to solve problems in the writing field.

Day Students Organization

"Pre-Med"

THE PRE-MEDICAL CLUB is composed of students who plan to become workers in the medical field. This year, the Club is headed by Dr. R. M. Haff and Prof. Paul S. Reddish.

Bi-weekly meetings are held, at which time members of the Club give a program consisting of interesting topics in the field of science. Every Pre-Medical student is urged to become a member of this Club. By doing so, he has a sure bet of staying up on all Scientific Current Events.

Ministerial Association

ONE OF THE MORE outstanding Associations on the campus is the Ministerial Association. It is composed of students who are preparing themselves for full-time Christian services. Each member is attempting through study to build a philosophy of life based upon the principles of Christ. Meetings of the group are held weekly, in which fellowship, study, and practice preaching are utilized to help prepare the prospective minister for his profession. Aside from their campus activities, etc., several of the members hold pastorates in nearby churches.

THIS CLUB is one of many similar groups of young people found on the campuses of our colleges and universities throughout the country.

The purpose of the International Relations Clubs is to instruct and to enlighten public opinion. It is not to support exclusively any one view as to how best to treat the conditions which now prevail throughout the world, but to fix the attention of students on those underlying principles of international conduct, of international law and of international organization which must be agreed upon and put into action if a peaceful civilization is to continue.

Education Club

THOSE STUDENTS who plan a teaching career, or are interested in the field of education make up the Education Club. It is through this Club that future teachers make out and plan their practice teaching schedules.

THE PAN HELLENIC COUNCIL is comprised of a representative from each of the sororities and fraternities. Problems are brought before the group and discussed and plans and suggestions are carried back to the social organizations by these representatives. It is the responsibility of this council to see that harmony exists between the individual Clubs and that they are united in their actions.

THE MONTH OF SEPTEMBER USHERS in a season of anticipation, enthusiasm, and excitement, for at that time virtually all colleges return to the gridiron. Elon welcoming fifty candidates on its practice field, prepared for a tough schedule which included seven conference foes, a member of the southern conference and two non-conference opponents.

Losing only a few gridders through graduation and transfer, the 1947 team was definitely a more powerful aggregation than the previous year. Numerous newcomers brightened the outlook for the future, though most of the positions were filled by dependable veterans from the '46 campaign. Perhaps the final record of four wins and six losses would have been different had not every varsity player been injured at one time or other during the season.

The Season

THE OPENING TILT with the Davidson Wildcats temporarily delayed Elon's first taste of victory. The reserve strength of the Southern Conference team proved to be the deciding factor in their 19-0 victory, but the Christians fought on even terms for the first, third and final periods. The fatal second period produced the total scoring of the game. Hank Desimone, Claude Manzi, Claude Gentry, Jim Murray and Jack Russell were outstanding for the Christians in spite of the defeat.

Elon's initial victory was registered the following week-end when the Christians subdued A.C.C., 14-6. Though the highlight of the game was a 92 yard run by Allsbrook for the opponents, many Elonites played their best game of the year. Center Paul Causey scored one touchdown when he scooped up the ball, following a blocked Atlantic punt, and crossed the goal line standing up. Jim Murray, Jim Huyett, Fred Claytor, and Bobby Harris also starred for the victors. It is interesting to note that the touchdown scored by A.C.C., was the first ever made by men from Wilson against Elon.

In one of the hardest fought games of the year, the Mountaineers from Appalachian outscored the Christians 21-13. Though a defeat for the Elonites, the contest was by far the most exciting taking place on their home field. Vicious blocking and tackling, lengthy runs, excellent passing, all a fan would desire were featured in the skirmish. Fred Claytor's passes to Jim Huyett, Jack Russell and Claude Gentry set up the touchdowns for the Christians. Claude Manzi and John Zurlis were line stalwarts.

Playing on an exceptionally muddy field in Greenville, the Christians repeated their performance of last year by edging E.C.T.C., 7-0. For the most part, the game was uninteresting and uneventful due to the weather conditions; the seemingly fathomless amount of mud kept down the scoring to a minimum. Standout mudders were Hank DeSimone, Claude Gentry, and John Zurlis. The offensive featured Pete Marshburn, Huyett Braxton, and Lou Savini, who scored the lone touchdown of the game on a 32 yard off-tackle play.

Avenging a 20-0 defeat of the '46 campaign, the Fighting Christians upset a highly regarded Newberry team 3-0. Most of the game was played in Newberry territory, but continual goal line stands by the South Carolina opposition prevented the Maroon and Golders from scoring a touchdown. In the waning moments of the second quarter, Jim "Groza" Huyett kicked a 22-yard field goal producing the only score of the encounter. Long runs by Bobby Harris and Jim Murray and a 40-yard pass from Fred Claytor to Mike Kozakewich highlighted the ball game. The Christians piled up 391 yards to 119 for Newberry, and 16 first downs to the Little Gamecock's 6.

THE SQUAD

One of the nation's best small college teams, Catawba, trounced Elon 38-0 on the week-end of October 25. The game was played in Salisbury and from the beginning, there was no doubt as to the victor. The Indians played in the Tangerine Bowl later in the year, which indicates the strength of their team. Elon held Catawba to two touchdowns in the first half, but relinquished four markers in the third and fourth quarters. Claude Manzi, John Zurlis, Claude Gentry and Paul Causey led the Elon forward wall on defense and offense during the entire contest. C. K. Siler and Huyett Braxton, with their running and kicking, were the offensive leaders.

An injury-riddled Christian team waged a beautiful brand of football for the Homecoming crowd, and upset a highly favored Erskine team by a 17-7 score. The game featured two 70-yard runs by Bobby Harris and a 62-yard quick kick by C. K. Siler. Jim Huyett also had a perfect day in the kicking department, adding two extra points and making good a 20 yard field goal. Lou Savini, Claude Manzi and Huyett Braxton likewise stood out in the impressive victory. The game ranks as the most deserved win of the year; the line play was flawless, and performance in the backfield left little to be desired.

Two days of psychological warfare preceded the encounter between the High Point Panthers and the Christians. Though Elon was the victor in the "battle of the nerve," they were on the short end of the score when the final whistle sounded in the main contest. Bobby Harris, after intercepting a panther aerial, set up the first score of the game with a 90-yard run. Fred Claytor then tossed to Bill Perry in the end zone, and Jim Huyett added the extra point. But the boys from H.P., making their primary gains with end runs, tallied twice in the final quarter to edge out the Perrymen.

The losing of the High Point game temporarily took the fight out of the Christians, for the Lenoir Rhyne Bears subdued the Elonites 13-0 when they met at Hickory. The Bears play featured numerous long runs by Charles Harrell, which in the final analysis determined the outcome of the contest, but the Christians were spectacular in holding the Hickorymen for no gain on four tries from the eight yard line. Dave "Shoeball" McClenny, Fred Hoffman, and Claude Manzi starred in the defeat.

Guilford, favored by three touchdowns in the Turkey Day classic, decisively defeated the Christians 13-6 in the final tilt of the year. The Elonites tallied early in the first quarter, but could make no appreciable headway thereafter, the major portion of the game being played in the Christians territory. Fred Hoffman, Lou Savini, Jack Russell, Dave McClenny, and Jim Murray starred for the Maroon and Golders in the encounter.

THE VARSITY

We have purposely failed to mention the play of Elon's forward wall. Too often we are prone to heap glory on those of the backfield who score all the tallies. But if it were not for the tackling and consistent blocking by the linesmen, the scoring of these points would be impossible. Comparing with the best in the North State Conference, the Elon line, featuring All-Conference guard Claude Manzi, was a continual standout throughout the season. Virtually all of the gains by the opponents were made around the ends or through the air. Therefore, we feel that the Maroon and Gold linemen deserve special commendation for their continual outstanding defensive and offensive play. . . .

"THE HOOPSTERS"

Garland Causey, taking over the coaching reins from "Hap" Perry in the early part of the season, produced a high-spirited, scrappy ball team. However, against conference foes, the Christians were able to win only eight of sixteen encounters, and completed their schedule with a record of ten wins and twelve losses. Nine of these ten victories were won on the Elon court.

The starting five usually consisted of Captain Johnny Clayton, Don Kernodle, Leo Kampman, Lacy Ganes, and Lou Savini. Jack Andrews, Harvey Smith, Bill Hopkins, Ed Drew, and Chuck Lentz were continually called upon to substitute for the starting quint.

In the North State Tournament, Elon, the 1946-47 champion, was eliminated in the first round by the Mountaineers of Appalachian, who went on to cop the championship.

The "B" squad, coached by "Jet" Pierce, was composed of Len Fesmire, "Big" Peters, Bill Perry, H. J. Carr, Jr., C. K. Siler, Ernie Gaster, Lester Foster, and Johnny Weldon. They earned the respectable record of eleven wins as against five losses, and a few of the Bees will undoubtedly engage in varsity play next year.

THE SQUAD

In the spring of 1947, the Elon diamonders completed a better than average season, garnering a total of 14 wins as against 10 losses. Led by the timely hitting of Walker, Clayton, Anderson and Savini, the squad was victorious in 10 of their 16 North State engagements, thereby securing second place in the final conference standings. Catawba, the continual stumbling block in the path of the Maroon and Golders, accounted for four of the Elonite's six conference losses.

Hurlers Jack Andrews, Frank Roberts, Bill Anderson, and "Pep" Watkins pitched their fireballs to catcher George Cross; Jim McSwain, Steve Walker, Johnny Clayton, and Ed Ellis composed the near-flawless infield, while "Roc" Sileo alternated with Leon Pope in aiding Lou Savini and Dick York to patrol the outer garden.

The '48 squad will miss the services of George Cross who did not return to the campus, and the invaluable Johnny Clayton who has joined forces with the Burlington Bees. However, with the remainder of the varsity returning, and the signing of ex-major leaguer Jim Mallory as head coach, Elon looms as the likeliest champion of the '48 North State Conference.

THE 1947 TENNIS SQUAD, coached by "Jet" Pierce, finished second in the final conference standings behind the troublesome High Point team. The Panthers decisedioned the Christians twice, as did the superior Greensboro semi-pro group; but the Elonites split with Oak Ridge Institute, and then registered double victories over Guilford and Lenoir Rhyne.

Bill Winstead, letterman Al Burlingame, Bob Wooldridge, Lawrence Paige, Pedro Godwin, and Frank McCauley all scored victories during the season. In the North State Tournament, Winstead was defeated in the finals, Woolridge in the quarter-finals, and the doubles team of Paige-McCauley reached the semi-finals. Pedro Godwin, winning seven of nine matches, garnered more total victories than any other netter.

The 1948 team, returning intact with the exception of Burlingame, is expected to prove a stronger, more formidable squad. A greater number of matches are scheduled and we feel certain that the Piercemen will bring to Elon the Conference Championship.

Intramurals

MEN:

The purpose of the intramural program is to provide an opportunity for all students to participate in athletics. Probably no other program on the Elon Campus more completely achieves its objective than does that of intramurals.

Men may participate with their dormitory or social club teams in basketball, touch football, softball and volley ball. Individual awards are given to the winners of bowling, tennis, badminton, and ping pong tournaments.

The governing body of the program, the Men's Intramural Council is composed of representatives from each dormitory and social club. It is their duty to complete and carry out the plans of the program, as well as to enforce the necessary rules and regulations. Much credit is theirs for its effectiveness, but the highest commendation should go to Coach "Jet" Pierce, who is the Director of Men's Intramurals at Elon. Through his untiring efforts, faultless judgment and leadership, the Elon intramural program is held in the highest esteem by both faculty and students.

Intramurals

Far from being outdone, the women are likewise provided with an intramural program of keen interest and competition. Teams composed of dormitory and sorority members vie for honors in basketball, softball, and volleyball, while individually, students may enter bowling, tennis, pingpong and archery tournaments.

The outstanding events of the year for students participating in girl's athletics was the Basketball Play Day held at Lenoir Rhyne College. The Elon "basketballerettes" garnered a third place in this competitive affair. Those students making the trip were Aggie Vaughan, Ruth Baine, Evelyn

For Women

Moore, Lib Jernigan, Ann Sawyer, Jean Harris, Evelyn McNeil, Ethel Craven, Betty Jo Chilton, Hazel Britt, and Helen Spivey. Evelyn McNeil and Ruth Baine were selected to the tournament Honor Team.

Aside from intramurals, fundamentals for beginners, lessons in technique for advanced students, and methods in directing athletics for girls are taught throughout the year. Under the capable directorship of Miss Vanda K. Whicker, these programs, participated in by many and enjoyed by all, hold an essential and significant place in the campus activities.

COMPLIMENTS OF A FRIEND

Will we...

... keep our place in the world?

UNITED STATES OF AMERICA—first among nations in national income! First in production of wheat, corn, cotton, petroleum, coal, and iron! First in communications; in motor vehicles per capita—first in many essentials to good living and prosperity.

And directly related to that position of leadership is our standard of education—for it has been shown that a country's wealth and welfare rise along with its educational standards. And countries rich in natural resources *can be poor and backward* without the benefits of education.

Yes, the United States is a leader in the field of education too—but *for how long?* Appalling conditions prevail today in many of our schools. Many of our most brilliant teachers are working against

odds—crowded classrooms, shortages of equipment and textbooks, long hours. . . *Thousands* have left the profession for other work.

You, and every United States citizen, will suffer from this situation, because it cannot help affecting our national prosperity before long.

WHAT TO DO?

Today—make it your business to take these two steps:

1. Check up on educational conditions in your local schools; 2. Back up and work with organizations seeking to improve teachers' working and living conditions. For only by *keeping* our educational standards high can we hold our place in the world—and assure a prosperous future for our children.
